About Us

Technoroots brings over 12 years of experience in delivering enterprise-grade IT solutions across East Africa. We have supported digital transformation initiatives within Kenya's public sector and the region's financial services landscape, among others.

We continue to work with organizations across various sectors, including: Healthcare & Pharmaceuticals, Banking & Financial Services, Transportation & Logistics, Private and Public Sector Enterprises, Retail & E-commerce, Telecommunications, Energy & Utilities, Manufacturing, and Insurance.

Our focus remains on helping enterprises implement reliable, scalable, and secure technology solutions that support operational efficiency and growth.

Why Technoroots?

We provide tailored implementation and support across application monitoring, cloud infrastructure, databases, middleware, contact center solution, ERP, and CRM.

Our solutions are built for performance, security, and scale; ensuring reliability at every stage.

With certified expertise across Oracle, Microsoft, Red Hat, Rockeye, Datadog, Contact-Center Solutions, ERPs, CRM, and EDB, we help enterprises achieve dependable performance at scale.
